

METIER

METIER3 DOCKLANDS, VIC

METIER3 is an award winning Architectural and Interior Design Practice which specialises in high quality design. Founded in 1985, METIER3 has created a diverse portfolio of work in all sectors including commercial, workplace, institutional, multi-residential, high end residential, retail and hospitality.

The METIER3 office is located within the Seven17 Bourke Street development; a building which incidently was designed by METIER3.

The new office embraces an open plan environment which encourages a natural collaboration amongst the staff. METIER3's focus as a design driven practice is displayed in the completed result.
